Mr. Baker-

I received a letter on November 22, 2006 requesting an amendment for the Neal State Mine, M0470063. It stated that I needed to submit the amendment no later than December 1, 2006. I would like to request additional time. I would like to request an extension until December 15, 2006. Do I need to request this in writing or will this email suffice? Thank you for your consideration-
